RACING INCENTIVES

DMTC reserves the right to determine eligibility for qualified starters.

SHIP & WIN

Out of state horses are eligible to participate in Del Mar's substantial summer Ship & Win incentives aimed to both increase runner & horse population in California.

- \$4,000 Starter Bonus for FIRST START.
- 40% Purse Bonus for EVERY START of the summer meet.

Start a horse at Del Mar this summer, who last ran out of state, to take advantage of the program. Horse must not have raced in California in the last 12 months, and their previous start must have been made outside of California. Horses stabled in California that travel out of state to make a qualifying start are not eligible. First-time starters do not qualify.

Purse bonuses apply to earnings for placings 1-5 and exclude stakes races. Ship & Win starter bonus includes stakes races. If a S&W horse is acquired after its initial start, the original owner will receive purse bonuses from subsequent starts.

Purse bonuses will extend to a horse which makes its initial S&W start in May or June at Santa Anita. Further, that same horse may make up to two starts during that period and still have its purse benefits extended through the Del Mar summer meet.

MAIDEN DIRT BONUS

Del Mar is offering a 20% purse bonus to horses, of any age, in the following maiden races on the dirt:

- Maiden Special Weight Dirt Races
- Maiden Special Weight Cal-Bred Dirt Races

Purse bonus will be awarded directly to ownership and applies to earnings for placings 1-5 in open races and 2-5 in Cal-Bred races.

Trainers must have fewer than 85 horses on the Southern California Circuit to qualify for program. Horses may not dual-qualify for Ship & Win.

OAK TREE RACING ASSOCIATION SATURDAY, AUGUST 3

The Oak Tree Racing Association is offering a \$9,500 bonus for eligible non-claiming, non-stakes races on Saturday, August 3. Awards to be divided equally between owner & trainer.

1st	2nd	3rd

Ponies will not be permitted on the Turf Course (unless approved by the Racing Secretary). Trainers must request turf works at least one day in advance. Del Mar reserves the right to limit the number of turf works to 30 in order to preserve the surface and ensure safety.

SHOE POLICY FOR TURF COURSE & MAIN TRACK

- HORSES RUNNING WITHOUT SHOES: Trainers who choose to run their horse without shoes (no shoes, only shoes in front, or only shoes behind) on either the TURF or DIRT surface must declare this intention at the time of entry.
- Silver Queens are not permitted on the Turf Course.

ATTENTION HORSEMEN

- Horsemen are reminded of the extreme danger posed to horses and riders from improperly secured exercise bandages. Please be certain that all bandages are properly secured through the use of SAFETY PINS and/or ELECTRICAL/DUCT TAPE. NO MASKING TAPE or other light-weight tape should be used at any time. No polo bandages for official timed workouts.
- BY ORDER OF STEWARDS: Cushion whips are required for morning training. No buggy whips allowed by rule 1685. No cell phone usage on track during training.
- BY ORDER OF STEWARDS: When lights and horns are activated, riders are required to pull up to a jog allowing outriders to aid the horse(s) and rider(s) involved and safely have ambulance(s) access the track. Failure to follow will result in immediate violation.

ENTRIES

- Entries close at such time when all entries have been taken, unless otherwise specified in the conditions for a sweepstakes.
- Horses on the also-eligible list are not "in today" horses. Such horses may enter for the succeeding day and receive any preference to which they may be entitled; however if a horse gets in a succeeding race it will be scratched automatically from the race to which he was also eligible. Stakes races excluded. The status of such horses should be noted at the time of entry.
- In all allowance/claiming races, allowance horses are preferred.
- The racing secretary may refuse the entry of a horse at any time.
- Horses that have started for \$6,250 or less in their last five starts are ineligible to run in races at five furlongs on the turf, unless approved by the racing office.
- No entry will be received except upon the condition that all disputes, claims and objections arising out of the racing or with respect to the interpretation of the conditions of any race shall be decided by the Stewards, and their decision upon all matters shall be final.

A valid 2024 Del Mar Agreement must be signed by both Trainer and Attending Veterinarian and provided to Del Mar prior to acceptance of any entry.

SCRATCHES

- Scratch time will be 10:00 a.m. two days prior to the races.
- The deadline for scratches from stakes races will be no later than one hour before post time the day of the race. As a courtesy to the public, the Del Mar Thoroughbred Club requests that trainers wishing to scratch from a stakes race do so prior to the third race.
- In all overnight races with more than ten interests, trainers may declare out to that number by the specified scratch time, such practice to be determined by lot if necessary. Scratches below ten may be made only by permission of the Stewards.
- Pursuant to CHRB Rules 1602 and 1629 only the Stewards may declare a horse out of any overnight race after the scratch time designated for the race.
- The Stewards reserve the right to withdraw or scratch any horse which, in their opinion, will not qualify for the race in which it has been entered.
- No horse shall be permitted to start that has not been fully identified.
- Registration papers of every horse entered must be on file in the Racing Office before scratch time unless otherwise approved by the Stewards.

ATTENTION HORSEMEN

- The Thoroughbred Owners of California has directed DMTC to make a per start fee deduction in the amount of \$158 from each owner's paymaster account for the purpose of funding the 2024 worker's compensation insurance program for California jockeys administered by Post Time Self Insurance Group. Any owner who desires to opt-out from having such deduction made from their account must notify Post Time directly at info@sigolutions.com or Post Time Self Insurance Group, 4961 Katella Ave., Los Alamitos, CA 90720. Questions should be directed to Post Time Self Insurance Group.
- Any horse drawn into the body of the race because of inaccurate information could be scratched and such horse could lose its previously held date.
- As per rule 1865A the alteration or change of sex of horses will be strictly enforced. Forms will be available to insure proper notification.
- Equine Microchip: All trainers are required to notify the Horse Identification Office of all un-microchipped horses as they arrive on the grounds.
- Trainers and owners will be permitted to enter up to three (3) horses in any Maiden Special race, however not to the exclusion of another unassociated horse, and, further, provided there are at least seven wagering interests in the race.
- In all two-year-old maiden races there will be no more than ten horses carded in the body of the race.
- In all overnight races, excluding maiden races, winners will be preferred unless otherwise stated in the conditions of the race.
- In handicaps, preference will be given based on the weight assigned, adjusted for scale and sex allowance, regardless of joint ownership.
- In races that overfill, trainers must declare preference of runners with identical ownership at time of entry. Same owner second choice horses will be least preferred. There will be no coupled entries in any race.
- In allowance stakes, preference will be given based on high weights according to allowances adjusted for scale and sex allowance, regardless of joint ownership. Unless otherwise noted in allowance stakes races, preference of horses with equal weights will be determined by 2024 non-claiming earnings .
- In maiden special races, horses that have finished 2nd, 3rd or 4th in a maiden special race since starting for \$40,000 or less, will not be subject to the maiden special preference clause.
- If the management considers it inadvisable for any reason to run a scheduled turf race on the turf course, it will be run at a corresponding distance on the main track.
- The clause "Races when entered for . . .not considered" applies to both eligibility and allowances unless otherwise qualified.
- ELIGIBILITY AND ALLOWANCES: "Closed races" are considered as those restricted to "Non-Winners of three races of \$21,000 other than Maiden Claiming or Starter" or less. (Non-winners of two races other than maiden or claiming, etc.). For purposes of determining eligibility in closed races, a win in any group race in Part I or II countries, regardless of purse value, shall be considered a win at or above the qualifying amount of \$21,000.
- A horse which wins conditioned allowance races restricted to state bred, or state bred stakes will remain eligible for the open once other than allowance race, provided that horse does not win an open stakes race or allowance race following that start.
- Winners of a Cal-Bred first conditioned allowance dirt race will be eligible to run in the same condition on turf. Winners of a Cal-Bred first conditioned allowance turf race will be eligible to run in the same condition on dirt.
- California Bred supplemental purse monies earned in qualifying open races will be disregarded for eligibility purposes.
- Starter races will not be considered as claiming races in regards to preference clauses. Starter race earnings will be included in stakes preference earnings. For weight allowance purposes, starter races will be considered as claiming races.
- Horses penalized in a race shall not be entitled to any of the allowances in such a race. Horses not entitled to the first allowance in a race are not entitled to the second and if not the second, then to any subsequent allowance unless specified in the conditions of the race.
- Owners and trainers when entering horses in races are cautioned to check carefully the eligibility of their horse and the allowances claimed in all races. Under the universal rules of racing an owner or trainer is responsible for the eligibility and the weight the horse carries. The Racing Secretary will be glad to give horsemen any information in respect to their horses that is desired, but the final responsibilities rest with the owners and trainers.
- The Jockey Club registration certificates including digital formats of all horses on the overnight must be on file in the racing office by scratch time. Failure to do so may result in declaration per CHRB rule 1588.
- Retroactive purse changes and bonus payments will not be considered for eligibility, allowances or in any computation of earnings. Earnings as reported in Equibase will be used for the purpose of determining eligibility, allowances and preference.
- Horses without a jockey named at entry time will have an alternate rider named by the Racing Office. Said horses must have a secured jockey by scratch time.
- Trainers must have an apprentice engaged before claiming an apprentice allowance.
- A rider may be named on two horses in a race provided one is on the also-eligible list.

RULES OF ELIGIBILITY FOR HORSES RACING AT DEL MAR

The Rules of Racing adopted by the California Horse Racing Board govern all races under the auspices of the Del Mar Thoroughbred Club.

For three-year-olds and up which have broken their maiden:

1. Any horse which has started for less than \$4,000 must finish first, second or third for \$4,000 or more since.
2. A maiden which has started in a maiden race for less than \$12,500 will not be eligible, unless, after such start, that horse finishes 2nd, 3rd or 4th in a race for \$12,500 or greater.
3. Maidens over six-years-old are not eligible and will not be allowed to stable at Del Mar or any approved training facility.

Once a horse has started at Del Mar, it may not lose its eligibility during the meeting. However, any eligible horse which leaves during the meeting and races elsewhere must again satisfy the original eligibility requirements before being approved to return.

ELIGIBILITY DOES NOT IMPLY AUTOMATIC APPROVAL. It means consideration on the basis of performance and potential in our racing program.

Horses over 10 years of age are ineligible to be stabled or race at Del Mar.

DATE PREFERENCE SYSTEM

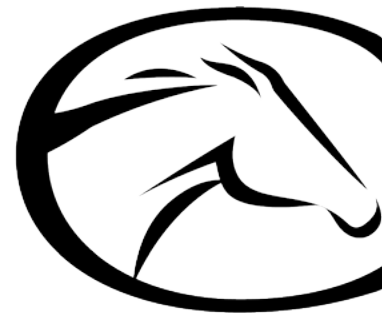

1. Any horse that has started prior to July 20 will receive a "zero date" regardless if papers are on file. Foal papers are still required to be submitted to racing office, but are irrelevant for date system purposes.
2. First-time starters will receive a zero date regardless if foal papers are on file. Foal papers are still required to be submitted to racing office at entry time.
3. For horses that run elsewhere after July 20 will receive the corresponding date of the day they run, regardless if papers are on file.
4. Preference dates will not supersede conditions of a race.
5. Any horse that is scratched from a race transferred from the turf to the dirt will retain its previous date.
6. A zero date takes preference over a running date.
7. Horses that run will receive a running date corresponding to the date they race and lose the date previously held.
8. Horses which are scratched will keep their date for the day of the race from which they scratched.
9. Any horse running in a stakes race at Del Mar will retain its previously held preference date.
10. Preference dates are good at any distance and for any category, with the exception of rule #4.
11. All horses placed on the Stewards, Veterinarians or Starters lists will not be permitted to enter until they have been approved to start. Horses placed on these lists will keep their dates if they ran in the particular race in which they made the list. Horses which are scratched, or placed on the Vet's list as injured or unsound, will be given a date for the day the horse comes off the list.
12. In no way does the claiming, ownership transfer or trainer transfer of a horse affect the preference date.
13. Any horse that is excluded from an overfilled turf race at Santa Anita in June will receive a super date for the identical race from which they were excluded, provided it was determined that horse was in good standing at entry time. This does not include horses who were excluded due to being entered for claiming price.
14. In overfilled races, trainers must declare a first and second choice with horses having identical ownership. In all races except for stakes, regardless of all conditions, same owner second will be last.
15. Horses in "good standing" which are excluded from a race due to oversubscribed entries and run subsequently in an "extra race", of the same conditions and distance as the originally scheduled race, shall receive the date from the originally scheduled race when entering back in the same condition.

Any horse on the "also eligible" that is declared will retain its original date providing there are no scratches in the body of the race by scratch time.

WORKOUT CRITERIA

The following are the workout criteria that will be in effect for the 2024 Meet. The minimum official, recorded workout distances and number of works for horses to run at the 2024 Meet are as follows:

1. For distances up to 5 1/2 furlongs: all first time starters must have three works, one at least 1/2 mile. For distances 6 furlongs or more: all first time starters must have three works, one at least 5/8 mile.
2. Horses which have not raced in 90 days: three works, one of which shall be at least 5/8 mile, two works during the last 60 days, and one work during the last 30 days. In races less than six furlongs: three works, two of at least 1/2 mile, two works during the last 60 days and one work during the last 30 days.
3. Horses which have not raced in 60 days: two works, with one during the last 30 days.
4. Horses which have not raced in 30 days: one work at least 3/8 mile within those 30 days.
5. Imported Horses: The workout requirement will be waived for horses entering within 14 days of clearing U.S.D.A. quarantine, provided that the country of origin's racing jurisdiction has no provision for timed workouts.
6. All horses which meet the workout criteria may be entered and race. Horsemen seeking to run a horse not meeting the workout criteria must obtain the permission of the Stewards. ALL HORSES THAT ARE ENTERED TO RACE MUST MEET THE WORKOUT REQUIREMENTS PRIOR TO ENTRY.
7. Horses eased or placed on Stewards' list for poor performance or beaten over 30 lengths in last start without cause will be required to show a 5/8 mile work prior to next race. Exceptions: Two-year-olds running less than 5/8 mile, who will be required to work race distance.
8. Any horse 4YO or older that has not raced MUST work 5 furlongs in 1:03 or better for an official California regulatory veterinarian and must have blood drawn. Horses must race within 30 days of all official workout criteria being met.
9. Horses off for 120 days or more, but less than one year. Days off are counted from the date of the horse's last race to the date of the race the horse is being entered for (i.e. race date-to-race date). Horses must have a vet exam within 14 days of entry time.
10. Horses which have not raced in a year or longer, must work for official veterinarian in 1:03 or better and have blood drawn. Horses must race within 30 days of all official workout criteria being met.

DEL MAR THOROUGHBRED CLUB CONSERVATION PROGRAM

Conservation is an important aspect of our daily living here in California. As we approach the live meet we would like to remind trainers, owners and backside employees that we have a responsibility to conserve our natural resources and ensure that hazardous materials do not enter our water systems.

The Del Mar Thoroughbred Club realizes the importance of water conservation and has developed a program that will work to reduce water consumption and eliminate the disposal of waste or hazardous material into the drains, during the live meet. DMTC staff will work in conjunction with the California Thoroughbred Trainers to ensure the success of this program.

Conserving electricity is another area of concentration for the meet. We ask that when lights are not necessary for the safety of your employees and horses that they be turned off.

Water Conservation signs, in both English and Spanish will be posted throughout the backside prior to the first horses arriving at the track. Risk Management staff and DMTC Security staff will work with violators to ensure they understand the requirements of the program and assist them in becoming compliant.

Security will be in the stable area 7 days a week to ensure compliance of the Water Conservation Program as well as electrical conservation.

Following are the rules and stipulated fines for the Water Conservation Program. Should you have any questions please feel free to call the Risk Management Department at 858-792-4233.

CALIFORNIA RETIREMENT MANAGEMENT ACCOUNT

California Retirement Management Account (CARMA) is a non-profit, charitable organization created to raise money for retired California racehorses. It is run by an independent board of directors, the organization hosts fundraising events, educates owners and trainers on equine retirement, raises awareness, and works to unify the industry in support of our equine athletes.

CARMA worked with the California Horse Racing Board (CHRB) to adopt a rule change allowing for a 0.3% deduction from purses to help fund equine retirement. This deduction is used to help support farms and other non-profit programs that care for and retrain retired Thoroughbred racehorses. Owners can obtain opt-out forms at any of the paymaster offices in California or at www.chrb.ca.gov.

CARMA manages a grant request process and disburses funds to qualified retirement facilities caring for, retraining and adopting Thoroughbred racehorses. CARMA is dedicated to the goal of providing funding for the rehabilitation, retraining and/or retirement of Thoroughbred horses that have raced in California. It is only through the cooperation and assistance of the entire industry that this can be accomplished.
